

Internet Site Browsing Informational Note

This Informational Note is provided to the individuals who access and consult the G.E.I.* GRUPPO ESSENZIERO ITALIANO S.P.A. Website, in accordance with art. 13 of the Regulation EU 2016/679, the "European Personal Data Protection Regulation".

IDENTITY OF THE DATA CONTROLLER

This Website is managed by G.E.I.*GRUPPO ESSENZIERO ITALIANO S.P.A., with registered offices in Strada Cebrosa 23/25 - 10036 Settimo Torinese (TO - Turin).

The Data Controller guarantees the security, the confidentiality and the protection of the personal data it possesses, at any stage of the data processing process.

The personal data collected are used in accordance with the Regulation EU 2016/679.

The DPO (Data Protection Officer) has not been appointed.

PURPOSES OF THE PROCESSING

The IT systems and the software procedures used for the functioning of this Website acquire, over the course of their normal use, certain personal data whose transmission is implicit within the use of Internet communication protocols. This is information which is not collected to be associated with identified data subjects but which, by their very nature, could, through processing and associations with data held by third parties, allow for identification of the users. This category of data includes the IP addresses or the domain names of the computers used by the users who connect to the site, the addresses in URI (Uniform Resource Identifier) notation of the resources requested, the time of the request, the method used in submitting the request to the server, the size of the file obtained in response, the numeric code indicating the status of the response given by the server (success, error, etc.) and other parameters relating to the operating system and the IT environment of the user. These data are used for the sole purpose of obtaining anonymous statistical information about the use of the site and to check its correct functioning and are erased immediately after processing. The data may be used for the ascertainment of responsibility in the event of hypothetical IT crimes to the detriment of the site.

LEGAL BASIS OF PROCESSING

The use of technical cookies is processing carried out in the legitimate interest of the Data Controller; the use of analytical cookies is carried out with the consent of the data subject.

DATA RECIPIENTS

The Data Controller does not communicate any personal identification information or data to third parties except, possibly and to the extent strictly necessary, to those who intervene in a provider capacity to provide services relating to the management of the Internet site and for the consequent management of the contractual relationship and the relative administrative formalities.

DATA TRANSFER

The Data Controller does not transfer the personal data to third countries or international organisations.

DATA STORAGE

The Data Controller stores the data for the time required to obtain anonymous statistical information about the use of the site and to check its correct functioning.

The data are erased immediately after processing.

DATA SUBJECT RIGHTS

With reference to arts. 15 - right of access, 16 - right to rectification, 17 - right to erasure, 18 - right to restriction of processing, 20 - right to portability, 21 - right to object, 22 - right to object to the automated decision-making process of Regulation EU 2016/679, the data subject exercises its rights by writing to the Data Controller at the address indicated above, or by email, specifying the subject of the request and the right it intends to exercise and attaching a photocopy of an identity document which proves the legitimacy of the request.

WITHDRAWAL OF CONSENT

With reference to art. 6 of GDPR 679/16, the data subject may withdraw consent at any time.

MAKING CLAIMS

The data subject has the right to make claims with the Supervisory Authority in the State of residence.

REFUSAL TO PROVIDE DATA

The data subject may refuse to provide the Data Controller with its browsing data. To do this, it must disable the cookies by following the instructions provided by the browser in use. Disabling the cookies may disimprove browsing and the use of the site functionality.

AUTOMATED DECISION-MAKING PROCESSES

The Data Controller does not carry out processing which consists of automated decision-making processes.
